AHMED KAMAL

FRONT END DEVELOPER

Mansoura , Egypt   **(+20) 01012344585**   **ahmedkamalsaad110@gmail.com**

SUMMARY   I am a motivated and detail-oriented front-end developer with a focus on building responsive, high-performance web applications using Next.js. I specialize in creating intuitive user interfaces and delivering seamless user experiences by leveraging the power of React, Tailwind CSS, and server-side rendering with Next.js. Eager to tackle real-world challenges, I continuously enhance my skills in front-end development, focusing on scalable, efficient, and visually appealing solutions. Passionate about clean code and innovative design, I am excited to contribute to impactful projects and grow in the fast-evolving field of web development.
